

2022-2023 Facebook Community Accelerator

GlobalGiving Final Grant Report Outline

Final Grant Report Due: July 31, 2023

* Questions that are unique to FCA participants

** Questions that are amended for FCA participants

Final Grant Report Outline

Narrative Report

- I. Narrative Report: *Please provide a detailed description of activities undertaken with funds and any progress made toward the goals of this Grant to date, including unexpected delays or challenges.*
- II. Objectives Accomplished: Were the objectives accomplished? Y/N
- III. Objective Results: Why or why not?
- IV. Project Outcome: Describe the exact outcomes of the project
- V. * Please share the historical/cultural context that underpins the social need for this project and how your group initially came into being.
- VI. * What positive change(s) in your community are possible today because of your project?
- VII. * Please reflect on the experience of monetizing your group. What did you learn from this journey and how did your community respond?
- VIII. * How will income generated continue to support the community's collective purpose?

Financial Report

- IX. Upload budget [[use template](#)]
- X. ** Financial report comments: This is an opportunity to explain the charitable nature of line items in your budget. If applicable, please report on who owns equipment/assets purchased with grant funds moving forward. If applicable, please disclose the amount of income generated.

- A. GlobalGiving's standard prompt requests justification for any deviations from the originally submitted budget. That will not be necessary for FCA participants.

Storytelling - Photos and Videos

- XI. **** Inspiring stories:** Please share the story of one community member and how this project has benefited them. Direct quotes and photos encouraged.
 - A. GlobalGiving's standard prompt requests grantees share "any inspiring stories about the impact of the program." For FCA participants, we're requesting stories that center individual community members.
- XII. **Photos / Video Uploads:** Please share other content (e.g. photos, videos, other digital materials) about your successes and challenges for this project. You may upload these as attachments to the report.
